Charitable Registration # CH2037600

Dear Friend,

This past season for Par Troy West LL was a great success with over 750+ boys and girls, participating in baseball and softball, at the local level. Many of our teams did fantastic in various divisions and brought home the district and sectional flags in their respective divisions.

As we move forward into the upcoming seasons, there are many capital improvements that must be made if we are going to continue to provide our kids a great program and facility for upcoming seasons. The Par Troy West LL Board of Directors has established a long term Capital Improvement Plan for Our League. Please see the attached list of *Capital Improvement Projects*.

It will take the support of local and corporate sponsors to achieve these goals. We are asking you to help support the children of our town. Many local and corporate sponsors already support individual teams. We are asking for your help, as a league sponsor, in these improvement projects. The children, their parents and friends, and the community will benefit and recognize your generous support, with your company name proudly displayed at these facilities.

Sincerely,

Frank A. Neglia

Frank A. Neglia

President, Par-Troy Little League West

Thank you for your support!
